Post Sale Inspection

Perryopolis Auto Auction now offers Post Sale Inspection (PSI) as a tool for dealers to buy with confidence. The PSI in not part of the National Auto Auction Association (NAAA) Policy, but a separate service that ensures vehicles sold meet the guidelines set forth in the NAAA Policy. Vehicles purchased in lane or on Simulcast are eligible for a PSI.

Gain peace of mind knowing your vehicle has been inspected by a knowledgeable mechanic

Minimize unexpected and costly repairs

The inspection takes place before the vehicle leaves the auction, saving you valuable time

Vehicle Qualifications:

Green Light (Ride and Drive) vehicles 10 model years and newer with a sale price greater than $2,500 and less than $50,000 and an odometer reading less than 150,000 miles are eligible for a PSI. If a vehicle is sold Green Light by the seller and does not meet the PSI criteria set forth by Perryopolis Auto Auction, the vehicle may still be arbitrated on sale day if any vehicle defects are present.

PSI Guarantee:

All items checked during the inspection period of the PSI are guaranteed to the buying dealer for 7 days after the sale, sale day being day 1. If any singular item or part that was inspected fails during the guarantee period and costs more than $500 to repair, the item will be replaced or repaired by Perryopolis Auto Auction, up to $1200 maximum. Any repairs under $500 will be the responsibility of the buyer. Vehicles challenged for issues must have 200 miles or less accumulated on the odometer from inspection.
