GSA Fleet Pre-Sale Announcement

Ladies, and gentlemen. On behalf of GSA and Perryopolis Auto Auction, I would like to welcome you here today. My name is Mark Holmes and I will be your GSA auction representative for this sale.

Before we get started, please bear with me while I make some pre-sale announcements.

For our next sales date and time please check our website, www.autoauctions.gsa.gov, or Perryopolis Auto Auction web site, www.perryautoauction.com details.

We are offering (#39) of vehicles for sales today.

All bidders must be at least 18 years old. You must be registered to bid and have a bidder number. Your name and address will appear on your certificate to obtain title exactly as you have registered. No changes will be made at a later time. Immediately upon being awarded an item, you will be required to sign your sale documents and at that time you must provide your social security number or tax id number.

GSA employees or members of the employee's immediate household are ineligible to purchase vehicles at this sale. Similarly, the auction house or any sub-contractor, their employees, or members of their immediate households are ineligible to purchase vehicles at this sale.

GSA Fleet vehicle sales are to be held in accordance with the provisions of Standard Form 114C (general sale terms and conditions). These general terms and conditions along with the special terms and conditions for this sale are provided in the sales catalog. It is your responsibility to familiarize yourself with these clauses. Please take the time to do so.

The vehicles are warranted as to description only. Condition is not guaranteed. Repairs may be required. Defects when known are announced. However, the absence of any mention of defects does not mean there are none. We strongly encourage you to inspect the vehicles before you bid.

Vehicles being sold could have outstanding recalls. Potential buyers should contact the National Highway Traffic Safety Administration at <http://www.nhtsa.gov> for more information on recall campaigns. Buyers should contact a manufacturer's dealership in their local area that services that brand of vehicle to address any outstanding recalls, or to verify that all recalls that have been addressed are completed.

GSA Fleet routinely consolidate and remarket vehicles from other agency-owned government fleets. There is no maintenance history available for consolidated vehicles in the sale catalog.

Should you become a successful bidder today, you will be under contract with the U.S. Government, and as such, must provide full payment for all purchases. Failure to do so will constitute a breach of contract thus placing you in default status under which you will be assessed liquidated damages as follows.

Award Amount	Liquidated Damages Fee Equal To
Less than \$875.00	Award Amount
\$875.00 and greater	\$875.00

Successful bidders will be issued a bill of sale, and a Standard Form 97 which is a federal certificate to obtain title to a vehicle. It includes odometer disclosure statements. The Standard Form 97 is not a registration form but the certification to be presented to register your vehicle.

Acceptable forms of payment include: Cashier's check, money orders, and personal checks (when accompanied by a bank letter of guarantee acceptable to the auction house), cash, the following credit cards -Visa, MasterCard, American Express and Discover -and (any other form of payment acceptable by the auction facility). GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

Note: GSA reserves the right to change these sale terms and conditions. Bidders are cautioned to periodically review these terms and conditions for possible changes.

GENERAL SALE TERMS AND CONDITIONS: Subject to the changes noted herein, the Sale of Government Property General Sale Terms and Conditions - Standard Form 114C (Rev. 04 / 2001) (SF-114C), which are incorporated by reference, apply to all sales of GSA Fleet vehicles. This standard form is available upon request.

1. **INSPECTION:** This clause of the SF-114C is unchanged.
2. **CONDITION AND LOCATION OF PROPERTY:** This clause of the SF-114C is deleted and replaced by the following:

LIMITED DESCRIPTION WARRANTY. The Government warrants to the original purchaser that the property listed in the Invitation for Bids or the Fleet Sales Catalog will conform to its description only. Condition of property is not guaranteed. Deficiencies, when known, have been noted in the item description; however, the absence of any indicated deficiencies does not mean there are none. Announced conditions at time of sale supersede the description in the Invitation for Bids or the Fleet Sales Catalog.

If a mis-description is determined, the Government will keep the property and refund any money paid unless an equitable resolution is agreeable between both parties. Any refund of payment, full or in part, as a result of a vehicle claim, will be made by electronic funds transfer (EFT) or a credit back to the credit card, if paid with such, on which payment was originally made. If a mis-description is determined after removal, the purchaser may be required to take the property at his or her expense to a location specified by the contracting officer. No refund will be made unless 1) the purchaser is still in possession of, and the owner of the vehicle, and 2) the purchaser submits a written notice, claiming a mis-description, to the contracting officer within 15 calendar days of the date of specified for removal and maintains the property in the same condition as when removed. Purchasers may be required to submit an independent estimate of repairs from a reputable repair facility as part of their written notice to the contracting officer. This warranty is in place of all other guarantees and warranties, express or implied. The Government does not warrant the merchantability of the property or its fitness for any use or purpose. The amount of recovery under this provision is limited to the purchase price of the mis-

described property. The purchaser is not entitled to any payment for loss of profit or any other monetary damages, including special, direct, indirect, or consequential damages.

3. **CONSIDERATION OF BIDS:** This clause of the SF-114C is unchanged.
4. **FORMS OF BID DEPOSITS AND PAYMENTS:** This clause of the SF-114C is supplemented with the following:

A valid driver's license or other form of Federal, state or local government issued photo identification information must be presented by all high bidders at time of payment.

Acceptable forms of payment shall include:

- a. Cash
 - i. Cash may not be accepted at all auction locations. Check with the auction facility or the Sales Contracting Officer prior to sale to determine the acceptability of cash as a form of payment.
 - ii. All cash must be in U.S. currency
 - iii. If a cash payment is in excess of \$10,000, it must be filed with the Federal Crimes Enforcement Network in accordance with 31 USC §5331 and 23 USC §6050i.
- b. Credit card - MasterCard, VISA, American Express, or Discover credit cards may be accepted. Credit cards must be backed by a United States financial institution. Acceptance of credit cards is subject to verification and approval by the issuing bank.
 - i. Effective June 1, 2015, the daily limit per individual credit card transaction is \$24,999.99.
 - ii. Any individual credit card transaction greater than \$24,999.99 will be rejected.
 - iii. Any individual transaction amount above \$24,999.99 must be paid by another form of payment.
 - iv. Individual transactions greater than \$24,999.99 may not be split into two or more transactions over one or multiple days if the multiple transactions would cause the total charge to exceed the individual transaction maximum dollar amount of \$24,999.99. Splitting a transaction violates card network and Fiscal Service

GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

- rules.
- v. For a customer that attempts multiple transactions on the same day with the same credit card, those transactions causing the total charge to exceed the limit of \$24,999.99 will be rejected.
- vi. For more information on this limitation from the U.S Treasury Department visit: <https://tfm.fiscal.treasury.gov/v1/p5/c700.html>
- c. Debit cards - Must be backed by a United States financial institution. Debit cards with dollar limitations and/or requiring a PIN number are not acceptable. Debit card transactions have no U.S. Treasury daily transaction limit.
- d. Checks – Must be made payable to the auction facility and must be backed by a United States financial institution. The buyer must obtain approval from the auction facility to pay by check prior to bidding. The following type of checks, subject to the conditions noted, may be used with advance approval from the auction facility:
 - i. Cashier's check
 - ii. Credit union cashier's check - issued by a Federal or State chartered credit union
 - iii. Traveler's check
 - iv. Checks, properly endorsed by Federal, State, or local government
 - v. Personal or company checks will only be accepted when accompanied by a bank letter guaranteeing payment. This letter must state that the bank will guarantee the check for a specific amount for a minimum of 30 days after the specific sale date at which it is intended to be used, and that it covers the purchase of U.S. Government property only. The letter must be signed by the bank official affirming the guarantee.
- e. Postal or commercial money order – Must be made payable to the auction facility.
- f. Purchase Orders – State and local governments may present a purchase order to obligate funds for vehicle purchases. The obligation of funds via a purchase order must be pre-approved by the SCO. Payment must be received by GSA within 30 days of the vehicle sale. (See FMR 102.38.350)

GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

While multiple forms of payment will be accepted to purchase a vehicle, no more than two credit cards may be used to render payment for any one vehicle. In the event the bidder is purchasing for another individual or company and uses a credit card not imprinted with the bidder's name, a power of attorney permitting the use of the credit account will be required. Power of attorney is not required if the purchaser is a licensed dealer and registered as such.

Full payment must be made in accordance with the payment due date listed in the Invitation for Bid or the Fleet Sales catalog for each sale.

5. **BID PRICE DETERMINATION:** This clause of the SF-114C is unchanged.

6. **PAYMENT:** This clause of the SF-114C is unchanged.

7. **TITLE:** This clause of the SF-114C is supplemented with the following:

A United States Government Certificate to Obtain Title to a Vehicle, Standard Form 97-1 (SF-97-1) and a purchaser's receipt will be issued to the buyer of each motor vehicle sold. The SF-97-1 is not a motor vehicle registration. It is evidence of title only and is to be used by the purchaser to obtain a proper state motor vehicle registration. The SF-97-1 in no way serves as a waiver for payment of motor vehicle registration fees, nor county or State taxes assessed on the vehicle, subsequent to its purchase. The SF-97-1 is accepted in all 50 states and U.S. territories. The Government makes no claims as to the acceptance of this standard form outside of these areas.

The SF-97-1 can only be made out to the individual purchasing the vehicle. There are times when buyers require/request a duplicate copy of the SF-97-1. Any request for a duplicate SF-97-1 must be made in writing to the Contracting Officer of record. Please be advised there may be a fee associated with this request.

SALVAGE VEHICLES: A branded SF-97-1 will be issued for vehicles sold as salvage or scrap. This brand may indicate that the vehicle is sold as "salvage," "salvage - Not to be titled for highway use," or that the vehicle is sold as "salvage - parts only". A subsequent SF-97-1 will not be issued regardless of repairs made.

8. **DELIVERY, LOADING, AND REMOVAL OF PROPERTY:** This clause of the SF-

GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

114C supplemented with the following:

The Government does not provide nor arrange for the transportation of vehicles purchased at auction.

A valid driver's license or other accepted form of Federal, state, or local government issued photo identification will be required to remove property from the sale premises. A copy of the identification will be maintained for up to 90 days and will then be destroyed. For vehicles purchased from an auction location, a valid gate pass issued by the auction is required. For vehicles purchased online via concurrent live broadcast, the credit card used to make payment must be displayed at time of removal. If said credit card is not available at the time of removal, a notarized letter from the credit card holder must be provided in order to remove the property. The notarized letter must include, at a minimum, the purchaser's name, the purchaser's address, the name of the individual or transport company authorized to remove the property, a copy of the purchaser's valid driver's license or other accepted form of Federal, state, or local government issued photo identification, and a copy of the credit card used to make the purchase. The removal of property may be delayed until the identity of the removing agent can be verified with the buyer. The individual removing the property must also provide a valid driver's license or other form of Federal, state, or local government issued photo identification.

Property must be removed by with the removal date listed in the Invitation for Bid or the Fleet Sales catalog for each sale. Buyers may make arrangements with the auction house to store vehicles at the auction facility for additional time, but this agreement is between the buyer and the auction facility, and the buyer assumes all risk of damages and costs associated with storage.

Access to some Federal facilities is now impacted by the Real ID Act. If using a driver's license or other Federal, state, or local government issued photo identification, it will need to comply with the requirements of the Real ID Act. Refer to www.dhs.gov/real-id-public-faqs for more information on the Real ID Act. Individuals with non-compliant identifications may present alternative forms of federal and local government issued photo identification - such as a U.S. Passport - accepted by the agency. Some agencies may have additional processes to accommodate individuals lacking the prescribed identification documents.

9. **DEFAULT:** This clause of the SF-114C is deleted and replaced with the

GSA Fleet Vehicle Sales Terms and Conditions for Live Sales

following:

All items awarded to you as the high bidder are contractually yours and must be paid for and removed within the time period specified under the special terms and conditions for each sale. Failure to do so could result in termination for the contract and the bidder may also be subject to paying liquidated damages. It is the responsibility of the bidder to be cognizant of which vehicle they are bidding on. Bidding on the incorrect vehicle does not constitute grounds to be released from the award of that vehicle.

The purchaser agrees that in the event he or she fails to pay for the property or remove the same within the prescribed period of time, the government at its election and upon notice of default shall be entitled to retain (or collect) as liquidated damages a sum equal to:

Award Amount	Liquidated Damages Fee Equal To
Less than \$875.00	Award Amount
\$875.00 and greater	\$875.00

In the event the purchaser fails to pay for or remove the vehicle as specified in these terms and conditions, the following action applies: Purchaser will automatically be placed in default. Upon being put in default, the purchaser shall lose all right, title, and interest which he/she might otherwise have acquired in and to such property as to which a default has occurred.

In the event the purchaser is placed in default, the Government shall be entitled to retain (or collect) as liquidated damages, the sum as denoted above. In the event multiple lots were purchased, this default amount will apply to EACH and EVERY lot for which a default has been recorded. **GSA does not grant extensions of time for payment and removal.**

Purchasers in default are not eligible to bid on future sales until all defaults are cured. See Provision #23 - Eligibility of Bidders.

10. **SETOFF OF REFUNDS:** This clause of the SF-114C is unchanged.

11. **INTEREST:** This clause of the SF-114C is unchanged.
