

Vehicle Release Authorization

Successful bidders using a credit card to purchase vehicle(s) must display credit card and valid Driver's License or other form of acceptable identification upon time of removal. If said credit card is unavailable, purchaser must complete and notarize this document and provide a photocopy of either their Driver's License or other form of acceptable identification and credit card used to purchase vehicle(s) prior to vehicle release. This requirement supplements requirements outlined in the SF-114C, GSA Fleet Vehicle Sales Special Terms & Conditions, and GSA Fleet Vehicle Sales Terms & Conditions for Internet Sales.
