

New Policies effective August 2, 2017

Clark County Auto Auction is adapting the below policy changes. Clark County Auto Auction follows the latest edition of the NAAA arbitration standard policies except (and in addition to) the following..

- We currently follow NAAA's green and red light policies. We will now adopt NAAA's yellow light policy. What is new is that the engine will be covered for any single defect that costs over \$500 to repair at CCAA pricing.
- All arbitration claims and post-sale inspections must be logged by Thursday at 2:00 PM. After a vehicle leaves CCAA, it becomes As-Is and does not qualify for arbitration or post-sale inspection.
- Vehicles sold for a bid of less than \$2000, are automatically As-Is, guaranteed transferable title only, and are not subject to any other arbitration.

Please review and feel free to ask our staff any questions before they are implemented.
