

POST SALE INSPECTION POLICY

The Lynnway Auto Auction (LWAA) offers Post Sale Inspections (PSI) as a tool to provide dealers with assurance and peace-of-mind for both their in-lane and Online wholesale auction purchases. A dealer purchasing a PSI has the assurance that the vehicle purchased passes a multi-faceted inspection, was properly represented, and that the LWAA guarantees that said vehicle meets the dealer's expectations. Also, LWAA stands behind every inspection for 10-days after PSI completion. PSI requests must be made within **2-hours** of the in-lane purchase time of a vehicle.

VEHICLE QUALIFICATIONS

Green light vehicles running at LWAA or Online including OVE.com and EdgePipeline.com simulcast are eligible for a PSI. **Yellow light** vehicles are eligible for a PSI excluding the announced or cautionary items.

Please be aware that the following vehicles are able to be post sale inspected but, LWAA will NOT guarantee or stand behind the vehicle under LWAA PSI policy:

- All Land Rover vehicles
- All vehicles equipped with diesel engines
- All Subaru WRX models
- All Mitsubishi Evo models
- All Audi A8, R8 and S8 models
- Hand-built exotic vehicles, Aston Martin, Bentley, Bugatti, Dodge Viper, Ferrari, Laforza, Lamborghini, Lotus, Maserati, Maybach, McLaren, Panoz, H1, Hummer and Rolls Royce

PSI Guarantees

Depending on the Post Sale Inspection selected, all items checked in the PSI are guaranteed for 10-days. Sale day counts as day-1.
