The SF-97-1 in no way serves as a waiver for payment of motor vehicle registration fees, nor county or State taxes assessed on the vehicle, subsequent to its purchase. The SF-97-1 is accepted in all 50 states and U.S. territories. The Government makes no claims as to the acceptance of this standard form outside of these areas.

The SF-97 can only be made out to the individual purchasing the vehicle. There are times when buyers require/request a duplicate copy of the SF-97-1. Any request for a duplicate SF-97-1 must be made in writing to the Contracting Officer of record. Please be advised there may be a fee associated with this request.

SALVAGE VEHICLES: A branded SF-97-1 will be issued for vehicles sold as salvage or scrap. This brand may indicate that the vehicle is sold as "salvage," "salvage - Not to be titled for highway use," or that the vehicle is sold as "salvage - parts only". 8. **DELIVERY, LOADING, AND REMOVAL OF PROPERTY:** This clause of the SF-114C is supplemented with the following:

The Government does not provide nor arrange for the transportation of purchased vehicles.

A valid driver's license or other accepted form Federal, state, or local government issued photo identification will be required to remove property from the sale premises. A copy of the identification will be maintained for up to 90 days and will then be destroyed. For vehicles purchased that are physically located at GSA Fleet contracted auction location, a valid gate pass issued by the auction is required. For vehicles purchased online, the credit card used to make payment must be displayed at time of removal. If said credit card is not available at the time of removal, a notarized letter from the credit card holder must be provided in order to remove the property. The notarized letter must include, at a minimum, the purchaser's name, the purchaser's address, the name of the individual or transport company authorized to remove the property, a copy of the purchaser's valid driver's license or other accepted form of Federal, state or local government issued photo identification, and a copy of the credit card used to make the purchase. The removal of property may be delayed until the identity of the removing agent can be verified with the buyer. The individual removing the property must also provide a valid driver's license or other form of Federal, state or local government issued photo identification.

Property must be removed within ten (10) calendar days from the date and time of award e-mail notification. For vehicles located at a GSA Fleet contracted auction, buyers must make arrangements with the auction house to store vehicles at the auction facility for additional time, but this agreement is between the buyer and the auction house and the buyer assumes all risk of damages and costs associated with storage.

Access to some Federal facilities is now impacted by the Real ID Act. If using a driver's license or other Federal, state, or local government issued photo identification, it will need to comply with the requirements of the Real ID Act. Refer to www.dhs.gov/real-id-public-faqs for more information on the REAL ID
