

What is a GSA Auction?

Are you seeking the best value in today's marketplace? Motley's Richmond Auto Auction is pleased to offer GSA Auctions to the public and dealers! Used government vehicles are considered some of the best values in the marketplace today. Why are GSA vehicles the best value? The vast majority of GSA auction vehicles were purchased new and driven by government employees. These vehicles are then auctioned once they reach their replacement age and/or mileage limitations. Therefore these vehicles are newer, well maintained, have relatively low mileage and come equipped with desirable features. These auctions are typically held once a month. Check out our [calendar](#) of events or [contact](#) us to learn more about our upcoming GSA auctions!
