\* There are NO warranties or guarantees with vehicle inspections. CMAA will not repair, replace or take back any vehicle based on an inspection.

These two seasoned auto experts make up the Central Mass Auto Auction inspection team. They bring an enormous amount of experience reviewing vehicles. Check their credentials. They are totally respected and trusted for their ability to assess a vehicle's good and bad points for some of the top buyers at CMAA.

If you come to the auction for live-lane action or buy Online remotely and you don't have the ability or time to check vehicles, then give these guys a call. Gain the knowledge and confidence you need to bid. They'll be brutally honest evaluating your selections!

### Here's What These Top Central Mass Buyers Had to Say...

*Of the six auctions I attend, CMAA is the one that is too far to go for a physical inspection. The auction service by Matt and Mitch solves my problem. I am always surprised at the detail I get for \$35.00. Great service!*

– Rich Brady, Tri City CDJR/Subaru

*Mitch is awesome! Always polite, respectful, and gives a full detail of the cars. Someone I trust and fully recommend.*

– Orlando Sanchez, Godspeed & Auto Depot

*I've been working with CMAA for 10 years and they have become family to me. I'm treated with respect and courtesy from the whole team. It's because of Matt and Mitch that I have stayed all these years—their only motive is to help the small dealerships like mine grow.*

– Adam Pioneer, Pio Cars

*I have total trust in Matt & Mitch. They inspect at least 10-vehicles a week for me and they are always spot on.*

– Kelvin Rodrigurz, Florangel Auto Sales
