### FAIR and ETHICAL SALE

Sales made at Central Mass Auto Auction are intended to promote fair and ethical treatment to both the Buyer and Seller. If the auction determines that the transaction is not fair and ethical to either party, the Seller and the Buyer agree that CMAA may cancel the sale, at its sole discretion. Federal, State, and Local laws supersede these policies where applicable.

**If an inspection item passes during the inspection, but then fails during the PSI guarantee period and costs \$800 or more to repair or replace, the defect is eligible for claim resolution with CMAA.**

**Advanced Driver Assist Systems (ADAS) are not inspected as part of PSI. Per NAAA guidelines, these systems must be inspected by a qualified third party outside the auction property.**
