

SELLER RESPONSIBILITIES

1. Seller will be held responsible for the accuracy of any representations made by Seller through the Auctioneer at the time of sale and verified on the auction block paperwork or by any recordings the auction may possess -independent of vehicle “light” designation or guarantee offered. The seller should make sure any announcements that need to be made are on the paperwork This includes year, model, mileage, announced conditions, and the corresponding lights under which the vehicle is being sold. Any known defects must also be announced.
2. Mileage announcements are not required on vehicles deemed exempt from Federal/State Odometer and Title disclosure laws unless a mileage discrepancy is known or apparent to the Seller. The Seller may represent miles on exempt vehicles - any statement made by the Seller and all known odometer discrepancies are grounds for arbitration.
3. In the event a vehicle is brought back to the Auction for a qualifying reason (a reason that the Auction deems necessary) i.e. T/A, title brands, odometer issues, frame damage, flood damage, etc. The Seller is responsible for reimbursement to the Auction of the sale price plus any fees the buyer has paid to the Auction such as buy fees or post sale fees etc.
4. Title Discrepancies must be announced including, salvage, previous salvage, theft recovery, not actual miles (previously TMU), odometer replacements, flood/fire history and Lemon Law buybacks or any other title brands that may exist.
5. All titles submitted must be in the Seller’s name. It is the Seller’s responsibility to ensure that a sold vehicle’s title is **negotiable in the state in which the Auction resides** and that the title is clear of all liens and encumbrances.
6. Seller is responsible for correct VIN numbers on titles and vehicles. All vehicles registered at Auction are subject to inspection by the FBI, State Police, National Auto Theft Bureau, and Local Police Authorities.
7. Seller shall be solely responsible for repurchase of any vehicle sold through the Auction found to be stolen prior to the date of sale.
8. Seller has the responsibility to produce a negotiable/marketable title to Auction within a maximum of 30 days of the date of sale [*sale day is day one (1)*]. **See Title Policies.**
9. All 2-wheel drive, multipurpose and utility-type vehicles that have the appearance of being 4-wheel drive* must be announced, also non air conditioned vehicles and vehicles with missing air bags must be announced. (**as determined by the Auction*)
10. All police cruisers, taxis, or other commercial purpose vehicles must be announced. These units will be sold 100% As-is unless otherwise announced.
11. It is your responsibility to familiarize yourself with the Auction Arbitration Policies.
